## OBJECTIVE

Aspiring MERN developer with a strong academic foundation and a keen interest in problem-solving, eager to contribute to a dynamic team and leverage coding expertise for impactful projects. Seeking an entry-level role to apply and expand skills in Full Stack Web Development.

## TECHNICAL SKILLS

- Languages** : HTML, CSS, JavaScript, Nodejs.
- Frameworks** : Bootstrap, Tailwind, ExpressJs
- Library** : Reactjs, React-router-dom, Redux, Socket.io
- Database** : MongoDB Database, Mongosh, Atlas Database.
- Developer Tools** : Visual Studio Code, postman, Githubs.
- Problem-Solving** : Strong analytical and problem-solving skills.

## EDUCATION

<b>Js University, Shikohabad</b> <i>Bachelor of Computer Application(BCA)</i>	<b>2021 – 2024</b> <i>Shikohabad, Uttar Pradesh, India</i>
<b>Pt. Deen Dayal Inter College Maharajganj</b> <i>12th</i>	<b>2016 – 2018</b> <i>Maharajganj, 273303</i>

## PROJECTS

- BookStore Website** June, 2024  
[project on Github](#) MERN(Mongodb,ExpressJs,ReactJs,NodeJs)  
I am developing a StorBook web app using React.js for the frontend, Node.js and Express.js for the backend, MongoDB for the database, and Nodemailer for sending emails. This MERN stack enables building dynamic, scalable, and full-stack applications efficiently, leveraging JavaScript across the entire development process.
- CRUD App** June, 2024  
[Project on Github](#) MERN(Mongodb,ExpressJs,ReactJs,NodeJs)  
Set up a MERN stack CRUD app by initializing a Node.js project, setting up the backend with Express and MongoDB, and creating necessary directories. Install required dependencies, configure the server, and define models, routes, and controllers for CRUD operations.
- Real-Time Chat Application** May, 2024  
[Project on Github](#) HTML, CSS, Javascript  
Create a real-time chat application that allows users to communicate instantly with each other. Users can join chat rooms, send messages, and receive messages in realtime..

## ACHIEVEMENTS / AWARDS

<b>Class Test</b> <b>INSTITUTE</b>	<b>2022</b> <b>Institute of Computer Application(ICA)</b>
<ul style="list-style-type: none"><li>I got awarded by Madel for being 1st in class for an exam test.</li><li>Re-organized something to make it work better.</li></ul>
